**Only Congress can make change for the USDA dogs.  
Ask them to co-sponsor and support both bills.**

**Puppy Protection Act will:**

- Require retired breeding dogs to be rehomed instead of killed.
- Increased cage size.
- Solid flooring.
- No more stacked cages.
- Require increased vet care for injured dogs.
- Protect dogs from extreme temperatures.

**Goldie's Act will:**

- Improve Enforcement.
- Confiscate dogs that are suffering.
- Document and report violations.
- Impose penalties for violations.
- Share inspection information with local law enforcement.
- Conduct frequent and meaningful inspections.

**Puppy mill dogs will continue to suffer in the hands of the USDA without this legislation.**
